* defined as postcodes outside RA1 (Major cities of Australia), as per The Australian Statistical Geography Standard (ASGS) Remoteness Area Structure

Notes

1. Rankings based on the total number of earning APRA writer members for each postcode during relevant calendar year, as defined by member addresses held on file with APRA AMCOS.
2. All members holding an Australian address receiving any domestic or foreign APRA royalties during the period are included in the rankings.
3. Genre categories are as per those selected by members when joining APRA AMCOS
4. The “Screen” category is allocated to any earning member contained in one or both of “Film / Television” and “Jingle” membership categories. This membership category is only allocated to members after being reviewed by APRA AMCOS’ membership department.
5. All other categories are self-selected by members upon joining APRA AMCOS and members may select multiple genre categories.
6. Postcodes and localities are as defined by Australia Post.
